## PRESS STATEMENT

28 JULY 2022

### QUANTUM METAL MALAYSIA LAUNCHED THE WORLD 1<sup>ST</sup> GOLD ATM WITHDRAWAL MACHINE

**PENANG, 28 July 2022** – Dato' Lim Khong Soon, Executive Chairman of Quantum Metal Sdn Bhd ("Quantum Metal") has launched the World 1<sup>st</sup> Gold ATM Machine.

Quantum Metal is one of the largest gold bullion distributors in Malaysia that provides digital platform and delivery of 99.99% premium gold products to the Malaysian market. Quantum Metal provide few options of Gold withdrawal, physical gold can be withdrawn from the 11 outlets of Ar Rahnū TEKUN in Malaysia, Quantum Metal's collaborative business partner. Today, Quantum Metal has achieved another milestone in developing its business ecosystem, by allowing its customers to redeem their digital gold withdrawal via Gold ATM Machine.

Through this Gold ATM Machine facility, Quantum Metal's customers and members have more options and convenient to withdraw the physical gold that they kept in their Gold Storage Account (GSA). At this moment, the smallest withdrawal that is available will be in the form of 1 Dinar (4.25g), Minted Gold of 10g, up to a maximum of 30kg per withdrawal (terms and conditions apply).

Quantum Metal first Gold ATM Machine is placed in Quantum Metal Head Office in Georgetown Penang, the second be in Petaling Jaya, Selangor. Quantum Metal has plan to introduce more Gold ATM Withdrawal Machines in suitable locations.

Quantum Metal is also an exclusive distributor of Perth Mint. A product from the reputable refiner and producer in gold business for more than 100 years, owned by the Government of Western Australia.
