ALL CONSULTANTS WHO HAVE ATTENDED QMCU TRAINING MUST COMPLETE A MANDATORY ASSESSMENT UNDER THE GOLD EXECUTIVE PROGRAM (GEP).

QBEB would like to inform all consultants who have previously attended QMCU training that they are required to take the mandatory assessment under the Gold Executive Program **before 30th November 2022**.

The assessment consists of two categories, which are **Elementary** and **Intermediate** questions. Both must be taken and completed by all consultants. The consultants will receive an email together with the access code for the assessment. QBEB will share the results with the consultants. If the consultant fails, they must attend the training conducted by QBEB trainer within a month.

The passing marks for Elementary and Intermediate are 50% and 70% respectively. The potential consultants or candidate will be given two attempts to answer the assessment test question after the trainings are conducted within specify period, 3 to 5 days. If the consultant failed both attempts at the assessment of the GEP stage, they have to pay **RM100.00** for every two attempts until they passed.

1. **Gold Beginner Program** (Elementary) requires a **50% passing marks**. No additional fees are required. Candidates need to familiarise themselves with the resource web page of QM and QBEB. A candidate must pass this elementary test before proceeding to Gold Executive Program (GEP) training and assessment.
2. **Gold Executive Program** (Intermediate) requires a **70% passing marks**. Training and lesson will be provided prior to the test. Within 3 days after the training, an online assessment must be taken. Candidates are given 2 attempts to pass. After the 2nd attempt, the next training and lesson plus 2 more attempt of the test, a fee of RM100.00 will be imposed.

Upon successful completion of the GBP and GEP assessments, the candidate will be given a certificate and deemed qualified to undertake sales of QM products.

Please be informed that the passing of GEP under the Gold Bullion Academy will be displayed on the Consultant Directory where it will help to profile the consultant's competency.

Please take serious note to take and complete the above-mentioned assessments as soon as possible, as we will impose disciplinary action on those who refuse to take the assessments, including withholding commission payment, and will only be released once they have passed them.

Thank you,

Kepada: Perunding & Ketua Agensi Lembaga Quantum Bullion ("QBEB")

**SEMUA PERUNDING YANG TELAH MENGHADIRI LATIHAN QMCU DIKEHENDAKI
MENGAMBIL PENILAIAN WAJIB DI BAWAH PROGRAM EKSEKUTIF EMAS (GEP).**

QBEB ingin memaklumkan kepada semua perunding yang pernah mengikuti latihan QMCU sebelum ini bahawa mereka dikehendaki mengambil penilaian wajib di bawah Program Eksekutif Emas **sebelum 30 November 2022**.

Penilaian terdiri daripada dua kategori iaitu soalan **Asas** dan **Pertengahan**. Kedua-duanya mesti diambil dan diselesaikan oleh semua perunding. Perunding akan menerima e-mel bersama kod akses untuk penilaian. QBEB akan berkongsi keputusan dengan perunding. Sekiranya perunding gagal, mereka mesti menghadiri latihan yang dikendalikan oleh jurulatih QBEB dalam tempoh sebulan.

Markah lulus untuk Ujian Asas dan Pertengahan masing-masing adalah 50% dan 70%. Perunding yang berpotensi atau calon akan diberi dua percubaan untuk menjawab soalan ujian penilaian. Jika perunding gagal kedua-dua percubaan, mereka perlu membayar **RM100.00** untuk setiap dua percubaan sehingga lulus.

1. **Program Permulaan Emas (Asas)** memerlukan **50% markah lulus**. Tiada bayaran tambahan diperlukan. Calon perlu memahirkan diri dengan laman web sumber QM dan QBEB. Calon mesti lulus ujian asas ini sebelum meneruskan latihan dan penilaian Program Eksekutif Emas (GEP).
2. **Program Eksekutif Emas (Pertengahan)** memerlukan **70% markah lulus**. Latihan dan pelajaran akan diberikan sebelum ujian. Dalam masa 3 hari selepas latihan, penilaian dalam talian mesti diambil. Calon diberi 2 percubaan untuk lulus. Selepas percubaan ke-2, latihan dan pelajaran seterusnya ditambah 2 lagi percubaan ujian, akan dikenakan bayaran sebanyak RM100.00.

Setelah berjaya melengkapkan ujian penilaian GBP dan GEP, calon akan diberikan sijil dan dianggap layak untuk menjalankan penjualan produk QM.

Harap maklum bahawa pencapaian GEP di bawah Akademi Gold Bullion akan dipaparkan pada Direktori Perunding di mana ia akan membantu untuk memprofilkan kecekapan perunding.

Sila ambil perhatian serius untuk mengambil dan melengkapkan penilaian yang disebutkan di atas secepat mungkin, kerana kami akan mengenakan tindakan tatatertib kepada mereka yang enggan mengambil ujian, termasuk menahan pembayaran komisen, dan hanya akan dibayar setelah mereka lulus.

Terima kasih,

PENGURUSAN QBEB
